- PLEASE NOTE: Please note that variations will occur since all arrangements are uniquely handmade by in-house designers. DO: • Keep the arrangement in a room temperature environment. • If dust collects after a few months remove it lightly using a duster. • Keep the lid on the side of the bottom of the box. • Be mindful when carrying the arrangement; it's a very delicate product. DON'T: • Do not water the florals. • Do not expose the florals to direct sunlight. • Do not place anything into the florals as they can crush and damage the florals. • Do not remove the florals from the box or vase, they are secure and happy there. Do not allow florals to have direct contact with light-colored fabric or surfaces, as staining may occur. • When cared for properly, your luxury eternity arrangement can last up to a year with minimal effort, no watering, and no maintenance.
