- PLEASE NOTE: [55790](#): When using full-coverage artwork, darker base or background colors are recommended. Using lighter colors will result in the cup color showing through. [9230PC](#): Due to the reflective/mirror nature of the metallic colors, imprints will appear to be "doubled" or reflected. Blank gift boxes will still be printed with the matching color. Bamboo products are prone to color variances and will vary between dye lots. Color variances are to be expected as no two bamboo products will be the exact same shade even within the same dye lot. Laser appearance will vary from piece to piece due to bamboo color variations. Small text is not recommended for laser engraved imprints.
